Ljubljana, 19 April 2024

Dear Members,

We have increased our membership by 24%!

Our new BSCC dream team (since July 2023) has been very busy, recruiting new members and putting in place member exclusive events and activities.

3 new councils for more engagement with our members.

We established 2 new councils at the end of 2023, the **UK Trade Council** and **Investors' council**. Here our members voice their concerns on trade barriers and the current business environment in Slovenia. We also launched the **G&T Expat club**, dedicated to foreigners working in Slovenia.

Our network in British Chambers of Commerce, our involvement in the Business circle.

Being part of the British Chambers of Commerce, we have access to a network of 52 chambers in the UK and 75 chambers around the world, and can help companies organise meetings, find partners and investors. We continue to cooperate with 15 other chambers in the Slovenian business circle (Gospodarski krog), with the aim of improving the business environment in Slovenia, which is vital for economic growth and new investment.

Our delegation to London & traditional Christmas Gala in London on 29th November!

Save the date for our delegation to London from 27-29th November, focused on Employer branding, and our Christmas gala at the famous Institute of Directors on 29th November.

Chapter Zero Slovenia is an initiative focused on bringing climate change into every board room and we're proud to be one of 31 Chapters in 72 countries around the world. Join us and educate yourself and your team on how to integrate climate change into your business.

Finally, we are here to help you grow your business, so please don't hesitate to get in touch with us!
